

Tecnológico
de Monterrey

The mural of the rectory of Tecnológico de Monterrey is a high relief carved in rock and adorned with mosaic; it represents the daily triumph of civilization and culture over the dark forces of stagnation and apathy. To illustrate this, Jorge González Camarena chose the battle and victory of Quetzalcóatl over Tezcatlipoca.

The mural measures 7 by 32.4 meters (23 by 106 feet).

Presence in México

31
campuses

Tecnológico de Monterrey

3 high school programs

- Bicultural
- Multicultural
- International baccalaureate

57 undergraduate degrees

Areas:

- Agriculture and Food
- Architecture
- Social Sciences and Humanities
- Communication and Journalism
- Law
- Design and Applied Art
- Engineering and Science
- Business and Administration
- Health
- Information Technologies and Electronics

35 international degrees

Areas:

- Administration and Finance
- Health Sciences
- Humanities and Social Sciences
- Engineering and Architecture
- Information Technologies and Electronics

26 face-to-face master's degrees

Areas:

- Administration
- Humanities and Social Sciences
- Engineering and Architecture
- Information Technologies and Electronics
- Education
- Health
- Public Policy
